

# COMMUNITY PLAN TO END HOMELESSNESS IN SANTA CLARA COUNTY 2015-2020

## 2016 ANNUAL REPORT

Over the past two years, the community has taken concrete steps to build a system with the housing capacity to meet its needs and highly effective interventions to permanently end homelessness for individuals and households. As a result, the community has measurably increased the rate of connection to permanent housing out of the homeless response system, and the percentage of those persons who remain stably housed.
