

DESTINATION: HOME

INVESTING IN SOLUTIONS

At Destination: Home, we are focused on raising the funding needed to address our region's homelessness crisis, and then investing those resources into impactful strategies. In particular, we focus on making strategic early investments to build more deeply affordable housing and develop innovative solutions that reduce and prevent homelessness in our community.

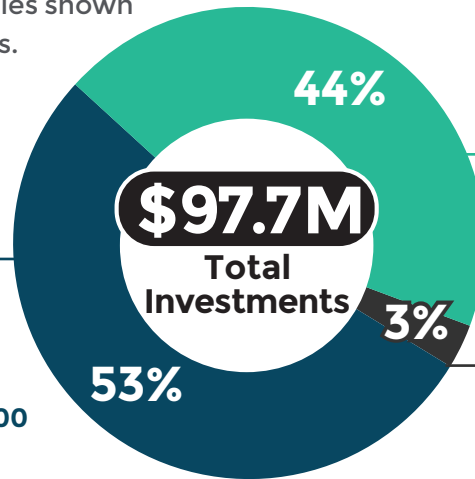

Since 2018, Destination: Home has invested more than **\$97 million** in impactful strategies shown to reduce and prevent homelessness.

OUR FUNDERS

These efforts have only been made possible thanks to the generous support of dozens of public and private funders, who've collectively invested hundreds of millions of dollars into our community's efforts to end homelessness. Special thanks goes to Cisco and Apple, who each have made major philanthropic contributions to Destination: Home.
