The systemic factors driving homelessness are stronger than ever, and forcing more of our community members onto the streets and into shelters every day. The 2020-2025 Community Plan to End Homelessness guides our community’s collective work to reverse the current growth in homelessness and bring us closer to our goal of ending homelessness in Santa Clara County. We are forging new partnerships, changing systems, and investing strategically to accomplish meaningful progress, however, we must continue to scale up these effective solutions to reduce overall homelessness in our community. ### OUR GUIDING STRATEGIES:

**STRATEGY 1**
Address the root causes of homelessness through system and policy change

**STRATEGY 2**
Expand homelessness prevention and housing programs to meet the need

**STRATEGY 3**
Improve quality of life for unsheltered individuals and create healthy neighborhoods for all

### OUR PROGRESS TO DATE

**11,563**
People Housed

2025 goal: 20,000 People Housed

**18% Reduction**
Reduction in New Households Becoming Homeless

2025 goal: 30% Reduction

**SYSTEM PERFORMANCE**

- **11,563** People Housed
- **17,426** People Placed in Temporary Housing & Shelter
- **25,567** People Received Homelessness Prevention Assistance

*includes people served via Covid-related Financial Assistance

In 2022, For every 1 household housed, another 1.7 become homeless

### KEY INITIATIVES

#### BUILDING MORE PERMANENTLY AFFORDABLE HOUSING

Our community is aligning public resources — like the Measure A housing bond, Housing Authority vouchers and San Jose’s Measure E transfer tax — and private funds from partners such as Cisco and Apple, to spur 50 deeply affordable and supportive housing developments.

#### DEPLOYING NEW SHELTER MODELS

Local jurisdictions are embracing new emergency and interim shelter models - like modular developments, tiny homes and hotel conversions - to quickly provide dignified shelter for people on their path to permanent housing. Hundreds of additional units are in development.

#### PREVENTING HOMELESSNESS

Launched as a pilot five years ago, a broad public-private partnership has expanded the countywide Homelessness Prevention System to serve more than 2,400 households a year, by providing at-risk households with relatively small amounts of money and key support services.

94% of households remained stably housed while enrolled

#### ENDING FAMILY HOMELESSNESS

In 2021, partners launched the HEADING HOME campaign to end family homelessness. Leveraging federal emergency housing vouchers and other resources, the campaign has enrolled all eligible families with children in a housing program.

More than 900 families connected to permanent housing

More than 5,000 homes are open, under construction or in the pipeline

Shelter options have grown 35% since 2020
