DESTINATION: HOME

Housing Ready Communities show up, sign up and speak up. The Housing Ready Communities initiative brings together neighbors, community groups, nonprofits, government and housing developers to take action and support approval of new supportive housing and extremely low income affordable housing in Santa Clara County.

For tools, resources and to get involved, visit: [housingready.org](http://housingready.org)

Housing Ready Communities is generously supported by Symantec, and is implemented in partnership with the County of Santa Clara Office of Supportive Housing, the City of San Jose Housing Department, the Santa Clara County Housing Authority, Silicon Valley at Home, community organizations and neighbors throughout the county.
